**STRUCTURE STABILITY CERTIFICATE**

This is to certify That Structure of **Shri. Krishan Parnami, Senior Secondary School at Model Town, Karnal, Haryana** is in accordance with the provisions of The National Building Codes and the Relevant Indian Standard Codes (with the latest amendments) including Indian Standard Codes for structures resistant to earthquake and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc./ have been kept in view while designing the same.

The validity of building as present condition is approx seventy five years. It should be taken into consideration that no addition/alteration should be taken without consulting Architect / Structure Engineer.
